

Bible in a Year Reading Plan:

This plan will take you through the entire Bible in 2018. Each day, there are readings from both the Old and New Testament. Once a week, there is a reflection day to review past reading, or to read the scripture for the upcoming Sunday sermon.

One of the best ways to read the Bible is with others. We encourage you to take this journey through the Bible with a neighbor, coworker, or some friends in the church. Consider meeting regularly to discuss the readings and discover what God is speaking through his word.
