

CHILDREN AT GRACE WORSHIP HALL PLANS

**NURSERY CARE
FOR INFANTS-2'S**

**SUNDAY SCHOOL
FOR 3'S-PRE-K 4**

**CHILDREN'S
GATHERINGS**

Parents,

With the new building set to open on November 15, **we are excited to offer elementary age children's gatherings during the 10:45am service.** One gathering will be for K-2nd graders in the Kindergarten Room and another for 3rd-5th graders in the Great Commission Room. The K-2nd grade children's gathering will focus on the promises of God, and the 3rd-5th grade children's gathering will focus on the names of God. These vital truths are foundational for our children's faith and essential during this season of instability.

These gatherings will serve our children during this season when we are not able to have age-graded Sunday School. Our desire is to provide a safe and encouraging environment for children to be with their friends while learning about God and His promises.

We realize that children who attend these gatherings will not be in the worship service during this coronavirus season. However, this is a temporary situation. We intend to resume our normal Sunday School programming when we are able, and children will be able to attend both Sunday School and the worship service.

We will continue to offer classes for our Infants-2s, and 3s & PreK children during both services.

REGISTRATION

In order to provide the safest environment for our children, registration is required for your child to be admitted to the classroom. You must complete the registration for our worship gathering for your entire family.

When asked to choose attendee types, simply choose your child's age group for the service you plan to attend. You will also be asked to enter an emergency contact name, and affirm that your child is fever and symptom free and has not had contact with a Covid positive individual in the last 14 days. Once we have reached capacity for these rooms you will not be able to register your child for the class.

If you are unable to attend for any reason please cancel your registration by emailing registration@gccnashville.org so that someone else may be able to utilize the spot. If you have a problem with our registration system, please contact me at jmiller@gccnashville.org.

ARRIVAL

To make check-in as smooth and contactless as possible, please download the Church Center app. With this app, you can check-in prior to entering the building and will receive a QR code that can be scanned at the check-in stations in order to print your child's name tag. Here is the Church Center app for Apple and Android users. You can always use the check-in station when you arrive without using the app.

You will receive a security tag that will be required during the check-out process as well. If we need you during the service, your child's 3-digit number will be displayed on screens at the side of the stage. Please practice social distancing in the hallways during drop-off and pick-up.

CLASSROOM

Our volunteers will be temperature checked before they serve, practice frequent hand washing, and are required to wear face coverings during the class. **We are also requiring our K-5th grade students to wear masks and practice social distancing while in the classroom.** If your child does not have a mask of their own, we will provide a child's size disposable mask for them. Our rooms have been thoroughly cleaned and we have removed some of the toys and accessories in order to cut down on the number of objects being touched and possibly shared. We will NOT be offering snacks or drinks during this time, and each child will have access to their own crayons, markers, and craft supplies.

If you have any questions, please feel free to reach out.

In His Grace,

Jason Miller
Pastor of Children and Families
